183 Queen Street East

EXPERIENCE THE
VISUAL BEAUTY
OF THE LAND AND
THE VANISHING
TEA TRADERS

Sponsored by ars nova arts Designed by AC Designs

Few have walked the Tea Horse Road

Until recently, Jeff Fuchs was the only westerner to travel this fabled road. Now, he will share some of what he saw and tasted with you.

Now you can discover some of the sights and tastes that were known for centuries by only a handful of daring tea traders. You can even buy some legendary tea to take home.
